## Bosniak leader: Bosnia has terrifying weapons as a message to its enemies – HINA/N1

November 12, 2020

The leader of BiH's largest Bosniak party (SDA), Bakir Izetbegovic, said Wednesday that BiH has "terrifying weapons" that anyone who has "bad intentions" toward BiH should think about.

*Izetbegovic visited the Binas weapons factory where he was given a demonstration of some of the products manufactured thereafter which he told reporters that he was impressed with what he saw.*

*"I attended a presentation of new shells produced at Binas in Bugojno with a range of more than 2,000 metres.. and launchers that can fire them in a burst. Hence, this is terrifying weaponry in the hands of Bosnia and Herzegovina," said Izetbegovic.*

Izetbegovic added, "This is a message of discouragement to anyone who may have any bad intentions towards Bosnia and Herzegovina."
